NOTICE

All Govt. /Public Sector/ Private Sector Hospitals/ Nursing Homes/ Clinics/ Laboratories/ Any Other facility providing treatment/test/investigation etc. shall ensure registration under the Clinical Establishment (Registration & Regulation) Act/Rules before the District Registering Authority either Offline or Online. Those HCFS providing treatment/services to 1000 & more patients per month are also required to obtain authorization under Bio-Medical Waste (Management & Handling) Rule 1998 notified under Environment (Protection) Act, 1986.

It is hereby brought to the notice of all health units/occupier that as per schedule II of the Bio-Medical Waste (Management & Handling) Rule 1998 the most essential part of hospital waste management is the segregation of Bio-medical waste. The segregation of the waste should be performed within the premises of the hospital/nursing homes. The color coding, type of container to be used for different waste category and suggested treatment options are listed below.

Color Coding & Type of Container for Disposal of Bio-Medical Waste

Colour Coding	Type of Containers	Waste Category	Treatment Option as per Schedule I
Yellow	Plastic bag	1,2,3,6	Incineration/deep burial
Red	Disinfected Container / Plastic bag	3,6,7	Autoclaving/Micro waving/Chemicals treatment
Blue/White translucent	Plastic bag/puncture proof container	4,7	Autoclaving/Micro waving/Chemicals treatment and destruction/shredding
Black	Plastic bag	5,9,10 (Solid)	Disposal in secured landfill

Notes :

1. Color coding of waste categories with multiple treatment options as defined in Schedule I of the Rule, shall be selected depending on treatment option chosen, which shall be as specified in Schedule I.
2. Waste collection bags for waste types needing incineration shall not be made of chlorinated plastics.
3. Categories 8 and 10 (liquid) do not require containers/bags.
4. Category 3 if disinfected locally need not be put in Containers/bags.

In view of that they are, hereby, instructed to follow the above and submit the prescribed application in Form-I & II appended to the aforesaid Rules to the nearest Regional Office of Jharkhand State Pollution Control Board.

Non compliance of the aforesaid direction shall punishable under relevant Rules & Acts including closure under section 5 & punishment under section 15 of the Environment (Protection) Act, 1986. This may be treated as most urgent.

For details of the aforesaid Rules and Act. you may visit website www.moef.nic.in & www.cpcb.nic.in & www.jspcb.org.
